**Subject:** Conversation with Dennis Tabor

Gullett, Brian 1:03 PM:

What's your estimate on the Radford D/F data? (they're asking)

Dennis Tabor 1:04 PM:

The samples are on the autosampler to be analyzed tonight. If they run it will take a couple of days to process the data. So I am hoping to get the data to Johanna by Thursday afternoon.

Gullett, Brian 1:05 PM:

Okay, thanks.
